You are cordially invited

Join us at Booth E6008, East Hall 6 at JIMTOF in Tokyo, November 5–10, 2024.

Experience several world premieres on the Gleason booth live in action:

KISSsoft® Release 2024 with the new KISSsoft System Module, Phoenix® 100C Bevel Gear Cutting Machine for robotic, power tool, and similar size gears, 175GMS nano Gear Metrology System for nano-precision gear inspection, 260HMS Honing Machine with the unique Combi Honing process for finishing stepped pinions with timing requirement, Coniflex® Pro Design and Manufacturing System for straight bevel and differential gears, and much more.

We look forward to welcoming you in Tokyo.
